RE: Proceeding No. 15-149

Dear Mr. Wheeler:

I am writing today in support of Charter Communication's proposed merger with Time Warner Cable (TWC) and acquisition of Bright House Networks (BHN).

Charter Communications has provided cable television service to some of the Lapeer Township residents for many years. Within the last few years the company has added high-speed internet service and home telephone service for our citizens and businesses.

The company has experienced considerable growth during the years they have been in operation in our community. Their level of customer service has improved significantly during that time. We also appreciate the fact that the company reaches out to us in order to keep open lines of communication regarding changes in their programs and activities.

We would also encourage you to add a service center in Lapeer County to further aid our residents and your customers in regards to bringing them the best and quickest service available.

Thank you for your consideration.

Sincerely,

Scott A. Jarvis
